Phone#: _____

Boarding Policy

Bathing of boarded animals: Please tell us if you want your pet bathed before going home. Bathing is done by the kennel assistant and does not include comb-out. If you do elect to have your pet bathed, there will be an additional charge. Animals that soil themselves while they are boarding will be partially or fully bathed as needed at your expense. We will make every effort to ensure that your pet is kept clean and comfortable.

Feeding of boarded animals: Your pet will be fed the appropriate Purina product unless there is a special need or request. If your pet requires a specific diet, you must supply their own food. Your pet will be fed twice daily unless you specify differently. Fresh water will be supplied as needed, but at least twice daily.

Other considerations:

1. Your pet will be housed in an individual cage or inside run. More than one animal from the same household can be housed together if requested. We reserve the right to separate the animals if problems occur.
2. Cages are cleaned and sanitized twice daily.
3. Dogs are walked outside twice daily.
4. Cat litter boxes are replaced as needed.
5. All dogs and cats are required to have flea control in current use while boarding. We will apply Frontline Plus, a safe and waterproof flea preventative product to any boarding pet upon check-in. Standard cost for one product dose, per pet, applies.
6. Medications are administered as needed without additional charge. This does not include the cost of the medication itself.
7. Any medical problems that arise during the course of your pet's stay will be treated at your expense.

Medical Illness Policy: One of the advantages of boarding your pet at a veterinary hospital is that veterinary attention is readily available should the need arise. If your pet becomes ill, we call all emergency number(s) listed above regarding your pet's symptoms, treatment options, and estimates of additional costs. ***I understand urgent necessary care will be administered to my pet and that I am responsible for all charges incurred for this.***

For Your Pet's Health

To insure the protection of all pets under our care, the following vaccinations and treatments must be up to date:

***There will be a charge for examination, vaccination, and treatments done by a doctor.*

Dogs: DHPP (Distemper combination)
Bordetella (Canine Cough)
Rabies
Fecal
Flea/Tick Preventative

Cats: FVRCP (Distemper)
Rabies
Flea/Tick Preventative

I give my permission for South Hyland Pet Hospital to update your pet's vaccinations in accordance with the above requirements.

IF YOU WOULD LIKE A COPY OF OUR BOARDING POLICY, WE WILL BE GLAD TO MAKE ONE FOR YOU!

Owner's Signature _____ Date _____

Flea Preventative:

We require flea preventative be current on all boarding animals, regardless of season. For the safety of your pet and other animals in the clinic, we will apply Frontline to every boarding animal upon arrival. If you have Frontline or an equivalent preventative, please bring it with you when dropping off your pet and we will apply it for you. If you don't have parasite preventative of your own, South Hyland Pet Hospital will apply Frontline Plus, a safe and waterproof flea preventative product to your pet upon check-in. *Standard cost for one product dose per pet applies.*
